The ELEKTA – NACP grant

Elekta together with the Nordic Association for Clinical Physics (NACP) has established “The Elekta – NACP grant”. The aim of the grant is to support clinically working physicists in the field of radiation therapy and to encourage research and development in the field.

The grant of 3 500 EUR, will be awarded once per year to one physicist that have submitted the best motivation to why he/she should be awarded the grant.

Criteria for selecting the winner are: relevance of the study/project/collaboration, originality, and usefulness within the field.

The evaluation will be performed by a board appointed by the NACP council. In case of equally assessed applications the board has the casting vote. In addition, the winner of the grant should be able to make a short presentation upon request.

The application form and the final announcement will be found on the NACP website (www.nacp-nordisk.org), as well as on the Nordic countries National Member Organisation's websites.

Applicants must submit their forms no later than 15th of December 2013.

NACP COUNCIL: President: Mika Teräs • Secretary: Sigrun Saur Almberg
Treasurer: Cathrine Jonsson
Webmaster: Mika Teräs / Asger Greval Petersen • Delegate: Gardar Myrdal •
Task groups: Radiological Physics Committee

Address: NACP c/o Sigrun Saur Almberg, Cancer Clinic, Trondheim University Hospital, N-7006 Trondheim, Norway,
